Ameritas Life Insurance Corp.

The Spirit Choice 3500 plan helps you cover the costs of dental care. Covered dental services include exams, cleanings, fillings and extractions, as well as crowns, bridges and dentures. This Spirit dental plan gives you the freedom to use any dentist. The Ameritas Classic Network is one of the largest in the nation with more than 114,000 providers at more than 471,000 access points. You save when you use a network provider as these providers have contracted fees (MAC/maximum allowable charge) through their network agreement with Ameritas. When you use a network provider, typical discounted fees can be 30% below the average for your area. To find an Ameritas Classic Network provider near you, visit star.ameritas.com/findadentist.

Additionally, when you utilize a network dental provider your out-of-pocket costs may be lower because the providers have agreed to a contracted fee for services. You are responsible for any coinsurance and the required deductible. It is important to note that if you receive care from a non-network dentist your out-of-pocket charges will be based on Usual and Customary charges*.

Plan includes a \$100 lifetime deductible combined for Preventive, Basic and Major Services. Lifetime deductible is per person covered by the plan.

12 MONTH RATE GUARANTEE - Rates illustrated are guaranteed for initial 12 months and may change annually thereafter.

Why should you choose a Network Provider?

The Choice plan gives you the freedom to use any dentist. Covered dental expenses are based upon 90% of the Usual and Customary (U&C)* fees - with the added advantage of utilizing a cost savings coverage rider (or PPO Dental Network) for additional savings.

Dentists not participating in the network are not subject to the contracted amounts and are permitted to charge any fee for services they provide. This may lead to greater out-of-pocket costs for you and your family members.

The sample comparison chart below will give you an idea of how you can save money by selecting the Spirit Dental Choice plan and visiting an in-network provider for services. It compares the charges between visiting in-network and out-of-network dentists.

Network Savings Example

Your Dentist says you need a Crown, which is a Major Service...

- Network Fee: \$685.00
- Usual & Customary Fee: \$750.00
- Dentist's Usual Fee: \$985.00

Spirit Network When you receive care from a participating network dentist	
Dentist's Usual Fee:	\$985.00
Network Reduced Fee:	\$685.00
Your Plan Pays:	
50% x \$685 Network Fee:	- \$342.50
Your Out-of-Pocket Cost:	\$342.50

Spirit Choice When you receive care from an out-of-network dentist.	
Dentist's Usual Fee:	\$985.00
Network Reduced Fee:	\$750.00
Your Plan Pays:	
50% x \$685 Network Fee:	- \$375.00
Your Out-of-Pocket Cost:	\$610.00

In this example, you save \$267.50 (\$610.00 minus \$342.50) by using a participating network provider.

Savings from enrolling in the Spirit Choice plan depend on various factors, including how often participants visit the dentist and the cost for services rendered.

***Please note:** These examples assume that your deductible has been met.

***Usual and Customary** - means the usual and customary charges for the area where such expenses are incurred.

General Information

ELIGIBILITY: The insurance coverage is available in states where it's approved to anyone age 18 and older who does not have coverage through another Ameritas dental plan. You can request coverage for your dependents; dependent eligibility varies based on state law.

DEDUCTIBLE AMOUNT: The deductible is shown in the coverage schedule. The deductible is an amount of covered dental charges incurred by an insured person for which no benefits will be paid.

PREDETERMINATION OF BENEFITS: It is recommended that a treatment plan/course of treatment be submitted when the total cost of eligible expenses for any insured is expected to exceed the amount shown on the coverage schedule. This should be submitted to us before the work is started. If actual services submitted do not agree with the treatment plan, or if a treatment plan is not sent in, we will base our payment on treatment consistent with reasonable and customary charges. Predetermination of benefits is not a guarantee of what we will pay. The estimated benefit payment is based on your current eligibility and benefits in effect at the time of the completed service. Submission of other claims or changes in eligibility or this policy may alter final payment.

TERMINATION OF COVERAGE: Coverage terminates on the earliest of the following dates: the last day of the month in which You cease to be eligible for coverage; the last day of the month in which Your dependent is no longer a dependent, as defined; subject to the Grace Period, the last day of the month for which a premium has been paid by You or on your behalf; or the date the policy ends.

EFFECTIVE DATE: When you enroll on-line your coverage may start as soon as 4-5 business days. Do not cancel any other insurance or assume you are insured under this plan until you receive written confirmation. Please note your enrollment may take 4 business days to be processed and accessible through any network providers.

ELIGIBLE EXPENSES: Expenses must be incurred while the policy is in force and the person is covered by the policy. To become an eligible expense, the dental services must be performed by: a licensed physician performing dental services within the scope of his license; or a licensed dental hygienist acting under the supervision and direction of a dentist.

MISSING TOOTH: If an insured has lost one or more teeth prior to this policy effective date, we will not pay for a prosthetic device that replaces such teeth unless the device also replaces one or more natural teeth lost or extracted while covered under this policy. We will pay for fixed bridges or dentures to replace such missing teeth if teeth were extracted within 6 months of this policy effective date if this policy immediately replaces a prior plan. Replacement of congenitally missing teeth is not covered under your plan unless you are replacing a current fixed bridge or denture. This replacement is subject to contract replacement limits.

Dental Limitations & Exclusions

Dental Expenses will not include, and benefits will not be payable, for any of the following:

- Covered Dental Expenses for appliances, restorations, or procedures to do any of the following:
 - Alter vertical dimension.

- Covered Dental Expenses for charges which the Insured person is not liable or which would not have been made had no insurance been in force, except for those benefits paid under Medicaid.
- Covered Dental Expenses for services that are not required for necessary care and treatment or are not within the generally accepted parameters of care.
- Covered Dental Expenses because of war or any act of war, declared or not.
- Alternative Procedures – Occasionally two or more procedures are considered adequate and appropriate treatment to correct a certain condition under generally accepted standards of dental care. In this case, the amount of the Covered Expense will be equal to the charge for the least expensive procedure. This provision is NOT intended to dictate a course of treatment. This provision is designed to determine the amount of the plan allowance for a submitted treatment when an adequate and appropriate alternative procedure is available. You may choose to apply the alternate benefit amount determined under this provision toward payment of the received treatment.

**Plan includes a one-time non-refundable enrollment fee of \$25. This charge will be made at the time of purchase and may appear as a separate transaction from your dental insurance.*

8 Reasons

for Dental Insurance

1. Protect your smile. Dental insurance exists just like any other insurance. It helps you protect your assets and manage your risks. If something were to happen, insurance is there to help control the costs.

2. Dental health is linked to overall health. That's kind of a big deal! Many systemic diseases such as diabetes, leukemia, cancer, heart disease, and kidney disease have oral characteristics that can be detected by the dentist with just an oral exam.

3. You'll be more likely to go to the dentist when you have insurance. This alone may help motivate you to take control of you and your family's dental health!

4. It helps you keep your teeth! Gum disease and tooth decay lead to tooth loss. These issues are most effectively treated by a dental professional.

5. Enjoy a little peace of mind. Let's say you or your child has a dental emergency like a chipped tooth, tooth pain or a lost tooth. You may be less worried about the financial burden of fixing the problem knowing you have dental insurance.

6. Minimize your dental out-of-pocket expenses. Bridges, crowns, implants, root canals, and other major issues are spendy. Finding a plan that will help minimize the costs can be very beneficial to your wallet!

7. A boost of confidence! A healthier, whiter smile and better breath may help you and your loved ones feel a little more confident.

8. YOU AND YOUR FAMILY ARE WORTH IT!
